for ~~OL/HOME~~ *OL/HOME* *1-11*
the *in 2E* *Corridor of* *Headquarters* *Building*
a. ~~Office of Logistics, Headquarters Operations,~~
~~Maintenance and Engineering Division~~ has sent a Request for
Proposal for renovations of 4,687 square feet for the Counter
Terrorist Center in the 2D Corridor with a bid opening date of *is scheduled*
27 February. The construction ~~start of 3 March~~ is contingent
upon the move of COMIREX to *but planned for 3 March.*

1-1
b. OL/HOME placed new couches, lounge chairs, end tables
and reupholstered chairs throughout the seventh floor DCI
reception rooms. Art consultants from Artists Circle LTD.
reviewed the area and will present a proposal in two weeks for
new coordinating items along with rearranging existing pieces.

NO
c. OL/HOME sent a package of replacement pages for the
Executive Furniture Catalog to the more than one hundred
catalog holders. A cross reference booklet listing
manufacturers and vendors was also prepared and sent to
Procurement and Supply Divisions' processing branch. *Good* *plan for* *Staff Notes.*

NO
d. OL/HOME installed an oil separation tank at the
powerplant. This tank protects the powerplant from accidental
oil spills getting into the drain and emptying into the Potomac
River. The contract with Clean America, Inc. to maintain an
Oil Boom in the Potomac will no longer be necessary, which will
save the Government \$45,000 per year.

Handwritten: Mox
 e. OL/HOME has begun assigning new carpool spaces to those carpools who reapplied. *Handwritten: carpool* The new permits will be issued to carpools during the two week period of 3-14 March *Handwritten: 1-5* from a booth *Handwritten: of Headquarters Building* will be set up in the IJ corridor to distribute permits. Notices will be posted at the headquarters entrances giving further details. *Handwritten: Giving details about the issue of the permits*

Handwritten: NO
 f. On 22 and 24 February, Allied was on snowfall alert. These two storms accumulated approximately nine inches of snow. The crew worked throughout the night plowing and salting the roadways, parking lots, walks and entrances. (Two tons of sand and 68 tons of salt were distributed) On 25 February, the snow plow accidentally struck the edge of the security barricade located at the GW Parkway entrance and caused an undetermined amount of damage. A repair crew has been called to repair the barricade.

III. Significant Events Anticipated During the Coming Week:

None.
